One Interesting Fact About Me:

I had over 200 posts on piazza last semester. I love computers XD!!!

One Time Technology Impacted Me in a Really Bad Way:

My boss (CFO) was at Subway buying me a sandwich, kind of a small bonus for all the hard work I had done. When he was gone, I was changing the ram on his computer and the computer lit on fire. I now wear an antistatic wrist-strap and clean the computer before I go in for surgery...

The Platform of My Primary Phone Is:
